Algebraic and Kähler Geometry Workshop

13th – 17th May 2019

Institut Fourier, university campus of Saint-Martin-d'Hères, France

Main themes :

Vanishing theorems
Structure of algebraic varieties
Kähler geometry
Special metrics
Pluripotential theory
Entire functions
Holomorphic foliations
Hyperbolicity of algebraic varieties.

Registration :

from December 1, 2018 to April 14, 2019
